disruption

“Leaders define the ~~vision~~ and hire geniuses who get work done.”

-elon era steve

disruption: do gov jobs
better than the gov

MVP

A

- Better everyone w/ tasks
- open source
- team built with bounties
- White folks pay
- free for poor people

product

B

- tuned from requests from ai chats
- build proprietary tech
- salary top bounty participants
- add products for white folks
- begin contracts deal w/ city(s)

scaled

C

- focus on efficiency and scaling
- proprietary tech on open core
- scale geographically
- focus product roadmaps
- Multi-year contract w/ city(s)

**mvp ask: bounty slush
fund (like \$333k)**
